Told y'all

Michael Harriot ✓
@michaelharriot

Sometimes I forget that Elon Musk has always been a privileged rich kid & Elon Musk's daddy owned an emerald mine & Elon Musk walked around with jewels in his pockets & Elon Musk didn't start Tesla, he just ousted the founders & Elon Musk has never invented anything...

Sometimes.

He wrote maps when no one knew anything about how to make maps electronic.

I'm not a fan, but he's doing some things.
