Twitter is fun because you get to be like, “Ducks are good” and someone in your mentions will go, “Um, I’m sorry but my brother is married to a duck scientist and this is a harmful view” and then someone else pops up going, “Your silence about horses is extremely telling”

Excuse me Mike, but I tweeted about ducks ("I love a duck!") 7 years ago, and therefore your tweet is plagiarism. I am calling the police.

The duck-sized horse or the horse-sized ducks?

You can't have it both ways

I would prefer the duck-sized horses. Horse-sized ducks sound...terrifying.
And imagine the quacks! 1 1 43

On the other hand, you may also be flooded with cute duck pictures, so
there's that. 🐥 🐥 🐥 1 21

I'm afraid to Like this comment lest a follower see this out of context and think I'm implicitly attacking the original tweet and AGH IT'S TOO META
