**Lady Quinn** also on CounterSocial ... @harleyq... · Oct 30, 2018 ...

Replying to @Dustinkcouch and @skaldicspite

The only reason the Moon is haunted is because that is where Kubrick was filming the Shining. It is also where they buried the Apollo 1 Astronauts while filming the fake Apollo 11 landing. Just remember: it's Kubrick so he had to actually go to the moon for perfection & realism

**Make it Stop** @travis\_smith24 · Oct 30, 2018
