OK Twitter, last night on Earth here. What's your favorite tweet of all time?

This is mine.

Mike Drucker @MikeDrucker · Jun 7, 2019

Twitter is fun because you get to be like, "Ducks are good" and someone in your mentions will go, "Um, I'm sorry but my brother is married to a duck scientist and this is a harmful view" and then someone else pops up going, "Your silence about horses is extremely telling"
